1. INTRODUCTION

1.1 Objective of RFP

The Minnesota Department of Children, Youth, and Families (DCYF), through its Office of Economic Opportunity Division (STATE), is seeking Proposals from qualified Responders to provide services in two areas of work:

- 1) Supplement Nutrition Assistance Program (SNAP) Outreach Program Information & Application Assistance, and
- 2) Statewide Outreach Network provider.

Federal and state funding are available through this Request for Proposal (RFP).

The term of any resulting contract is anticipated to be for two years from October 1, 2025, until September 30, 2027, with a two-year work plan and budgets amended yearly based on available funds from the U.S. Department of Agriculture (USDA).

Pursuant to [Laws of Minnesota 2023, chapter 70](#), article 12, section 14, subdivision 1, (codified at [Minnesota Statutes, section 142A.02](#), subdivision 1) DCYF was established effective July 1, 2024. Laws of Minnesota 2023, chapter 70, article 12, section 30, subdivision 1(c) further specifies that the STATE program issuing this RFP transferred from the Department of Human Services (DHS) to DCYF on the date specified by the DCYF Commissioner, which was July 31, 2024. Any reference to DHS in this RFP, any agreement resulting from this RFP, and all documents related to either, including any attachments, appendices, and forms, should be construed as references to DCYF.

1.2 Proposal due date

Proposals must be submitted on May 9, 2025 by 4:00 p.m. Central Time. This Request for Proposal (RFP) does not obligate the STATE to award a contract or complete the project, and the STATE reserves the right to cancel the solicitation if it is considered to be in its best interest. All costs incurred in responding to this RFP will be borne by Responder.

1.3 Background

Federal Funding

The Supplemental Nutrition Assistance Program (SNAP) is a federal program under the United States Department of Agriculture Food and Nutrition Services. SNAP is the cornerstone of our nation's safety net program and helps to fight hunger for many households by providing monthly benefits to purchase food. States may opt to conduct SNAP outreach to inform disadvantaged and low earning households about the availability, eligibility requirements, application assistance, and benefits of SNAP. The STATE is responsible to administer SNAP Outreach and manage the USDA pass-through funding.

STATE has administered SNAP Outreach and managed funding from USDA since 2007. STATE's mission seeks to remove barriers imposed by poverty impacting the development of individuals and families. SNAP Outreach in Minnesota works best when partnering with community-based organizations who knows how to reach their community. Households look to trusted organizations to help during their time of need. In 2022, food prices increased by almost 10%, the fastest increase since 1979 ([USDA](#),

[2025](#)¹). The hike in food prices combined with wages not keeping up with inflation has led many households struggling to buy food for their family. According to the Center on Budget and Policy Priorities, 9.1% of Minnesotan households in 2023 did not have access to enough food due to lack of money and resources ([CBPP, 2025](#)²). SNAP Outreach plays a critical role in increasing program awareness, expanding access and increasing enrollment in underused community.

State Funding

For the first time in Minnesota history, state funding was appropriated to SNAP Outreach during the 2023 Legislative session. Per Minnesota Statutes, section 142F.12, state funding must be used to leverage federal funds.

Eligible Responders

Responders eligible to apply include non-profit organizations, local units of government, and tribal governments based in Minnesota. Individuals who are not duly formed organizations are not eligible. Responders must have experience with effective outreach strategies and knowledge about SNAP. Responders must be able to demonstrate capacity to track non-federal funds to support program operation.

1.4 Funding Availability

Federal Funding

The SNAP Outreach Services grant is a reimbursement program and requires upfront full operation cost from any grantee at the time of contracting. The non-federal funding must be from non-federal source(s) and cannot be used to match other programs. Successful Responders must use matching funds in accordance with the same rules and guidelines as the awarded funds. Allowable non-federal sources can include, but are not limited to, state funds, donations from private, corporate, and philanthropic organizations and foundations, and donations from individuals made to organizations. In-kind and volunteer hours cannot be used as the non-federal share. Total expenses must be tracked by Successful Responders each month and reimbursed for up to 50%, or 75% for Tribal Nations, of the total allowable and eligible program costs.

Multiple Responders will be selected to provide service in the first area of work, SNAP Outreach Program Information and Application Assistance. Only one Responder will be selected for the second area of work, Statewide Outreach Network provider. OEO may consider funding portions of a proposed budget and may request adjustments depending on geography and population, justification of need, population density, and duplication of services across the state. Successful Responders will be included in the STATEs SNAP Outreach Work Plan to the USDA Food and Nutrition Services. budgets are submitted to USDA and approved annually based on funds available. Any unspent funding will not carry forward into the next budget year.

¹ <https://www.ers.usda.gov/data-products/food-price-outlook/summary-findings>

² https://www.cbpp.org/sites/default/files/atoms/files/snap_factsheet_minnesota.pdf

The funding amount is contingent on the amount of non-federal funds Successful Responders can commit, and a robust justification and need for programming. Successful Responders must be able to show they can secure the full cost of operating their SNAP Outreach programming. Successful Responders may request funding for one or both areas of work. If applying for both services 1) SNAP Outreach Program Information & Application Assistance and 2) Statewide Outreach Network provider, Responders must submit a separate Proposal for each service.

State Funding

The state funding is separate from the federal funding request. State funding must be used as the non-federal source to support outreach activities listed in this RFP. A total of one million dollars in state funding is available. Responders must indicate in the Proposal if they are requesting state funding, and the amount requested. See APPENDIX B FISCAL INFORMATION & CAPACITY. The amount state funding award will depend on 1) available funding, 2) the amount of Successful Responders' approved federal funding, 3) number of Successful Responders, and 4) each Successful Responder's project activities and work plan. Awarded state funds will be reimbursed to Successful Responders, and other non-federal funds provided upfront by each Successful Responder will be considered the required non-federal match.

Funding will be allocated through a competitive process with review by a committee representing content and, if applicable, community specialists with regional knowledge. If selected, Responder may only incur eligible expenditures when the contract is fully executed, and the grant has reached its effective date.

2. SCOPE OF WORK

2.1 Overview

This RFP provides background information and describes the services desired by STATE. It describes the requirements for this procurement and specifies the contractual conditions required by the STATE. Although this RFP establishes the basis for Responder Proposals, the detailed obligations and additional measures of performance will be defined in the final negotiated contract.

SNAP Outreach is intended to reach potentially eligible SNAP households or help families maintain their SNAP benefits while they are eligible. SNAP Outreach corrects myths and misperceptions about SNAP and enables household to make an informed decision whether to apply for benefits. SNAP Outreach helps households understand the application process, offer application assistance, and know the required verification needed to have a complete and accurate application package. Targeted population may include seniors, people with disabilities, families with children, veterans, students, unhoused population, households with Limited English Proficiency, and Time-Limited Recipients in communities across Minnesota.

SNAP Outreach Program Information and Application Assistance

Successful Responders for the SNAP Outreach Program Information and Application Assistance must develop a program model that uses strategic and effective outreach approaches to provide SNAP information, educate households about SNAP eligibility, debunk myths, correct misunderstandings, and offer application assistance. A model with strong emphasis on application assistance is needed to ensure households receive the benefits for which they qualify. Table 1 below lists allowable activities for SNAP Outreach Program Information & Application Assistance. This is not exhaustive list.

Statewide Outreach Network Provider

Successful Responder for the Statewide Outreach Network Provider will manage a robust toll-free phone line to assist callers with SNAP information, screen for potential eligibility, offer application assistance and provide food resources. This provider will cover counties where there is no SNAP Outreach provider, increasing access for those who are eligible.

The Successful Responder will assist STATE staff and work with the selected SNAP Outreach Responders to reduce food insecurity in Minnesota. Due to the diverse communities across Minnesota, the provider will develop statewide SNAP promotional materials translated into multiple languages and made available to the SNAP Outreach provider network. Successful Responder will assist STATE with coordination and support of a Community of Practice workgroup to address challenges, develop solutions, trainings and other efforts to strengthen services with SNAP Outreach providers.

MNfoodhelper

Both areas of work 1) SNAP Outreach Program Information and Application Assistance and 2) Statewide Outreach Network Provider must use MNfoodhelper to receive and respond to referrals submitted by Minnesotans. In 2021, the MNfoodhelper [website](https://mn.gov/dhs/mnfoodhelper/)³ was developed as a SNAP Outreach information and referral online tool. Successful Responders must create an internal process to manage MNfoodhelper referrals, and their must use the tool to track outcomes of reach referral.

Responders are encouraged to apply for only the amount needed for their proposed programs. The total available funds will not necessarily be divided equally, nor will selected applicants be guaranteed the entire amount requested. Complete APPENDIX B FISCAL INFORMATION & CAPACITY. Submit the Budget proposal using the attached template Budget in Appendix C BUDGET & BUDGET NARRATIVE.

9. Professional Responsibility and Data Privacy:

i. **Professional Responsibility:** It is crucial that STATE locate reliable grantees to serve our clients. If such complaints exist, please include the date of the complaint(s), the nature of the complaint(s), and the resolution/status of the complaint(s), including any disciplinary actions taken.

All Proposals must also include information about litigation, pending and/or resolved within the past two years, that relates to the provision of services by your organization and/or its employees. If such litigation exists, please include the date of the lawsuit, nature of the lawsuit, the dollar amount being requested as damages, and if resolved, nature of the resolution (e.g., settled, dismissed, withdrawn by plaintiff, verdict for plaintiff with amount of damages awarded, verdict for Responder, etc.).

The information collected from these inquiries will be used in STATE's determination of the award of the contract. You are not required to provide any of the above information. However, if you choose not to provide the requested information, your organization's Proposal may be found nonresponsive and given no further consideration. The STATE reserves the right to request any additional information to assure itself of a Responder's professional status.

ii. Data Privacy: If your organization or any proposed subcontractor has, in the past five years, suffered any breach or loss of personal, financial or other data considered private or confidential, please provide a description of such breaches, and provide details on what steps were taken to address the issue both in the short term and the long term to prevent such a breach/loss from happening again.

5. PROPOSAL EVALUATION AND SELECTION

5.1 Overview of Evaluation Methodology

1. All responsive Proposals received by the deadline will be evaluated by STATE. Proposals will be evaluated on “best value” as specified below. The evaluation will be conducted in three phases:

- a. *Phase I* Required Statements Review
- b. *Phase II* Evaluation of Proposal Requirements
- c. *Phase III* Selection of the Successful Responder(s)

2. During the evaluation process, all information concerning the Proposals submitted, except for the name of the Responder(s), will remain non-public and will not be disclosed to anyone whose official duties do not require such knowledge.

3. Nonselection of any Proposals will mean that either another Proposal(s) was determined to be more advantageous to STATE or that STATE exercised the right to reject any or all Proposals. At its discretion, STATE may perform an appropriate cost and pricing analysis of a Responder's Proposal, including an audit of the reasonableness of any Proposal.

5.2 Evaluation Team

1. An evaluation team will be selected to evaluate Responder Proposals.

2. STATE and professional staff, other than the evaluation team, may also assist in the evaluation process. This assistance could include, but is not limited to, the initial mandatory requirements review, contacting of references, or answering technical questions from evaluators.

3. STATE reserves the right to alter the composition of the evaluation team and their specific responsibilities.

5.3 Evaluation Phases

At any time during the evaluation phases, STATE may, at STATE’s discretion, contact Responders to (1) provide clarification of their Proposal, (2) have each Responder provide an oral presentation of their Proposal, or (3) obtain the opportunity to interview the proposed key personnel. Reference checks may also be made at this time. However, there is no guarantee that STATE will look for information or clarification outside of the submitted written Proposal. Therefore, it is important that the Responder ensure that all sections of the Proposal have been completed to avoid the possibility of failing an evaluation phase or having their score reduced for lack of information.

1. Phase I: Required Statements and Forms Review

The Required Statements will be evaluated on a pass or fail basis. Responders must "pass" each of the requirements identified in section 3.3 to move to Phase II.

2. Phase II: Evaluation of Technical Requirements of Proposals

- a. Points have been assigned as follows to each of the component areas described in Section 3.2 of this RFP:

Proposal Components	Possible Points

5.4 Contract Negotiations and Unsuccessful Responder Notice

If a Responder(s) is selected, STATE will notify the successful Responder(s) in writing of their selection and STATE's desire to enter into contract negotiations. Until STATE successfully completes negotiations with the selected Responder(s), all submitted Proposals remain eligible for selection by STATE. Data created or maintained by the STATE as part of the evaluation process (except trade secret data as defined and classified in Minnesota Statute, section 13.37) will be public data when contract negotiations have been successfully completed. If the STATE determines that it is unlikely that a

Responder will be selected for contract negotiations, the STATE may, as a courtesy, notify the Responder that it has not been selected for contract negotiations.

In the event contract negotiations are unsuccessful with the selected Responder(s), the evaluation team may proceed with the next highest scorer.

After STATE and chosen Responder(s) have successfully negotiated a contract, STATE will notify the unsuccessful Responders in writing that their Proposals have not been accepted. All public information within Proposals will then be available for Responders to review, upon request.

6. REQUIRED CONTRACT TERMS AND CONDITIONS

A. Requirements. All Responders must be willing to comply with all state and federal legal requirements regarding the performance of the grant contract. **The full requirements are set forth throughout this RFP and are contained in the attached sample grant contract in the Appendix. B. Governing Law/Venue. This RFP and any subsequent contract must be governed by the laws of State of Minnesota. Any and all legal proceedings arising from this RFP or any resulting contract in which STATE is made a party must be brought in the State of Minnesota, District Court of Ramsey County. The venue of any federal action or proceeding arising here from in which STATE is a party must be the United States District Court for the State of Minnesota in Ramsey County.

C. Preparation Costs. STATE is not liable for any cost incurred by Responders in the preparation and production of a Proposal. Any work performed prior to the issuance of a fully executed grant contract will be done only to the extent the Responder voluntarily assumes risk of non-payment.

D. Contingency Fees Prohibited. Pursuant to Minnesota Statutes, section 10A.06, no person may act as or employ a lobbyist for compensation that is dependent upon the result or outcome of any legislation or administrative action.

E. Accessibility Standards. Any information systems, tools, information content, and/or work products, including the response to this solicitation/contract, applications, web sites, video, learning modules, webinars, presentations, etc., whether commercial off-the-shelf (COTS) or custom, purchased or developed, must comply with the State of Minnesota Accessibility Standard effective September 1, 2010, as updated on July 1, 2024. This standard requires in part, compliance with the Web Content Accessibility Guidelines (WCAG) 2.1 (Level AA) and Section 508 of the Rehabilitation Act of 1973.

Information technology deliverables and services offered must comply with the [State of Minnesota Accessibility Standard](#).⁹ (The relevant requirements are contained under the “Standards” tab at the link above.) Information technology deliverables or services that do not meet the required number of standards or the specific standards required may be rejected and may not receive further consideration.

 - E. Consider a late modification of a Proposal if the Proposal itself was submitted on time and if the modifications were requested by STATE, and the modifications make the terms of the Proposal more favorable to STATE, and accept such Proposal as modified;
 - F. At its sole discretion, reserve the right to waive any non-material deviations from the requirements and procedures of this RFP;
 - G. Negotiate as to any aspect of the Proposal with any Responder and negotiate with more than one Responder at the same time, including asking for Responders’ “Best and Final” offers;
 - H. Extend the grant contract, in increments determined by STATE, not to exceed a total contract term of five years;

4.2. Payments to subcontractors. (If applicable) As required by Minnesota Statutes, section 16A.1245, GRANTEE must pay all subcontractors, within ten (10) calendar days of GRANTEE's receipt of payment from STATE for undisputed services provided by the subcontractor(s) and must pay interest at the rate of 1-1/2 percent per month or any part of a month to the subcontractor(s) on any undisputed amount not paid on time to the subcontractor(s).

4.3. Administrative costs and reimbursable expenses. Pursuant to Minnesota Statutes, section 16B.98, subdivision 1(a), GRANTEE agrees to minimize administrative costs as a condition of this grant. GRANTEE shall not invoice STATE for services that are reimbursable via a public or private health insurance plan. If GRANTEE receives funds from a source other than STATE in exchange for services, then GRANTEE may not receive payment from STATE for those same services. GRANTEE shall seek reimbursement from all sources before seeking reimbursement pursuant to CONTRACT.

4.4. Unexpended Funds.

GRANTEE must promptly return to the STATE any unexpended funds that have not been accounted for annually in a financial report to the STATE due at grant closeout.

5. PAYMENT RECOUPMENT.

- e. Any amount identified as a financial audit exception.

6. TERMINATION.

6.1. Termination by the State.

- a. **Without cause.** STATE may terminate this CONTRACT without cause, upon 30 days' written notice to GRANTEE. Upon termination, GRANTEE will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed.

STATE may take action to protect the interests of the State of Minnesota, including the refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed.

6.2. Termination by the Commissioner of Administration.

6.3. Insufficient funds. STATE may immediately terminate this CONTRACT if it does not obtain funding from the Minnesota Legislature or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the services covered here. Termination will be by written notice to GRANTEE. STATE is not obligated to pay for any services that are provided after the effective date of termination. GRANTEE will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. STATE will not be assessed any penalty if

the CONTRACT is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. STATE must provide GRANTEE notice of the lack of funding within a reasonable time of STATE's receiving that notice.

6.4. Breach. Notwithstanding clause 6.1, upon STATE's knowledge of a curable material breach of the CONTRACT by GRANTEE, STATE shall provide GRANTEE written notice of the breach and ten (10) days to cure the breach. If GRANTEE does not cure the breach within the time allowed, GRANTEE will be in default of this CONTRACT and STATE may terminate the CONTRACT immediately thereafter. If GRANTEE has breached a material term of this CONTRACT and cure is not possible, STATE may immediately terminate this CONTRACT.

6.5. Conviction relating to a state grant. In accord with Minnesota Statutes, section 16B.991, subdivision 1, this CONTRACT will immediately be terminated if the recipient is convicted of a criminal offense relating to a state grant agreement.

8. INSURANCE REQUIREMENTS.

GRANTEE shall not begin work under the CONTRACT until it has obtained all the insurance described below and STATE has approved such insurance. GRANTEE shall maintain the insurance in force and effect throughout the term of the contract. GRANTEE is required to maintain and furnish satisfactory evidence of the following insurance policies.

8.1. Worker's Compensation. The GRANTEE certifies that it is in compliance with Minnesota Statutes, section 176.181, subdivision 2, pertaining to workers' compensation insurance coverage. The GRANTEE's employees and agents will not be considered employees of the STATE. Any claims that may arise under the Minnesota Workers' Compensation Act on behalf of these employees or agents and any claims made by any third party as a consequence of any act or omission on the part of these employees or agents are in no way the STATE's obligation or responsibility. Minimum insurance limits are as follows:

- \$100,000 – Bodily Injury by Disease per employee
- \$500,000 – Bodily Injury by Disease aggregate
- \$100,000 – Bodily Injury by Accident

If Minn. Stat. § 176.041 exempts GRANTEE from Workers' Compensation insurance mandates, including if GRANTEE has no employees in the State of Minnesota, GRANTEE must provide a written statement, signed by an authorized representative, indicating the qualifying exemption that excludes GRANTEE from the Minnesota Workers' Compensation requirements.

GRANTEE's employees and agents will not be considered employees of STATE. Any claims that may arise under the Minnesota Workers' Compensation Act on behalf of these employees or agents and any claims made by any third party as a consequence of any act or omission on the part of these employees or agents are in no way STATE's obligation or responsibility.

- \$2,000,000 per occurrence
- \$2,000,000 annual aggregate

Such insurance will protect it from claims for damages for bodily injury, including sickness or disease, death, and for care and loss of services as well as from claims for property damage, including loss of use which may arise from operations under the grant contract whether the operations are by GRANTEE or by a subcontractor or by anyone directly or indirectly employed by GRANTEE under the grant contract. STATE will be named as both an additional insured and a certificate holder on the general commercial liability policy.

8.3. Employee Theft and Dishonesty Policy. GRANTEE agrees to keep in force a blanket employee theft and employee dishonesty policy in at least the total amount of the first year's grant award as an addendum on its property insurance policy. If it is not feasible to include a blanket employee theft and employee dishonesty policy as an addendum to a property insurance policy, then GRANTEE must keep in force a stand-alone employee theft and employee dishonesty policy.

STATE will be named as both a joint payee and a certificate holder on the employee theft and employee dishonesty policy. Only in cases in which the first year's grant award exceeds the available employee theft and employee dishonesty coverage may grantees provide blanket employee theft and employee dishonesty insurance in an amount equal to either 25% of the yearly grant amount, or the first quarterly advance amount, whichever is greater.

Upon execution of this grant contract, GRANTEE shall furnish STATE with a certificate of employee theft and employee dishonesty insurance.

8.4. Commercial Automobile Liability Insurance. GRANTEE is required to maintain insurance protecting it from claims for damages for bodily injury as well as from claims for property damage resulting from the ownership, operation, maintenance or use of all owned, hired, and non-owned autos which may arise from operations under this CONTRACT. In the case that any work is subcontracted,

GRANTEE will require the subcontractor to maintain Commercial Automobile Liability insurance that conforms to this section. Minimum insurance limits are as follows:

- \$2,000,000 – per occurrence Combined Single limit for Bodily Injury and Property Damage

In addition, the following coverages should be included: Owned, Hired, and Non-owned Automobile.

8.5. Professional Liability Insurance.

This policy will provide coverage for all claims the GRANTEE may become legally obligated to pay resulting from any actual or alleged negligent act, error, or omission related to GRANTEE's professional services required under the CONTRACT. GRANTEE is required to carry the following **minimum** insurance limits:

- \$2,000,000 – per claim or event
- \$2,000,000 – annual aggregate

Any deductible will be the sole responsibility of the GRANTEE and may not exceed \$50,000 without the written approval of the STATE. If the GRANTEE desires authority from the STATE to have a deductible in a higher amount, the GRANTEE shall so request in writing, specifying the amount of the desired deductible and providing financial documentation by submitting the most current audited financial statements so that the STATE can ascertain the ability of the GRANTEE to cover the deductible from its own resources.

The retroactive or prior acts date of such coverage shall not be after the effective date of this CONTRACT and GRANTEE shall maintain such insurance for a period of at least three (3) years, following completion of the work. If such insurance is discontinued, extended reporting period coverage must be obtained by GRANTEE to fulfill this requirement.

8.6. Additional Insurance Conditions:

- a. GRANTEE's policies shall be primary insurance to any other valid and collectible insurance available to STATE with respect to any claim arising out of GRANTEE's performance under this CONTRACT.
- b. If GRANTEE receives a cancellation notice from an insurance carrier providing coverage, GRANTEE agrees to notify STATE within five (5) business days with a copy of the cancellation notice, unless GRANTEE's policies contain a provision that coverage afforded under the policies will not be cancelled without at least thirty (30) days advance written notice to STATE.
- c. GRANTEE is responsible for payment of CONTRACT related insurance premiums and deductibles.
- d. STATE shall be named as a certificate holder on applicable policies.
- e. An Umbrella or Excess Liability insurance policy may be used to supplement GRANTEE's policy limits to satisfy the full policy limits required by CONTRACT.

9. INDEMNIFICATION.

In the performance of this CONTRACT by GRANTEE, or GRANTEE's agents or employees, GRANTEE must indemnify, save, and hold harmless the STATE, its agents and employees, from any claims or causes of action, including attorney's fees incurred by STATE, to the extent they are caused by GRANTEE's:

- a. Intentional, willful, or negligent acts or omissions;
- b. Actions that give rise to strict liability; or
- c. Breach of contract or warranty.

The indemnification obligations of this clause do not apply in the event the claim or cause of action is the result of STATE's sole negligence. This clause will not be construed to bar any legal remedies GRANTEE may have for STATE's failure to fulfill its obligation under this CONTRACT.

10. [OPTION 1] INFORMATION PRIVACY AND SECURITY.

- 2. It is expressly agreed that STATE will not be disclosing or providing information protected under the Minnesota Government Data Practices Act, Minnesota Statutes, Chapter 13 (the "Data Practices Act") as "not public data" on individuals to GRANTEE under this Contract. "Not public data" means any data that is classified as confidential, private, nonpublic, or protected nonpublic by statute, federal law or temporary classification. [Minn. Stat. § 13.02, subd. 8a.](#)
- 3. It is expressly agreed that GRANTEE will not create, receive, maintain, or transmit "protected health information", as defined in the Health Insurance Portability Accountability Act ("HIPAA"), [45 C.F.R. § 160.103](#), on behalf of STATE for a function or activity regulated by 45 C.F.R. §§ 160 or 164. Accordingly, GRANTEE is not a "business associate" of STATE, as defined in HIPAA, [45 C.F.R. § 160.103](#) as a result of, or in connection with, this CONTRACT. Therefore, GRANTEE is not required to comply with the privacy provisions of HIPAA as a result of, or for purposes of, performing under this CONTRACT. If GRANTEE has responsibilities to comply with the Data Practices Act or HIPAA for reasons other than this CONTRACT, GRANTEE will be responsible for its own compliance.
- 4. Notwithstanding paragraph a. and b., in its capacity as GRANTEE under this CONTRACT, GRANTEE must comply with the provisions of the Data Practices Act as though it were a governmental entity as defined by the Data Practices Act. GRANTEE will be performing functions of a government entity under [Minnesota Statutes, section 13.05, subdivision 11](#), and thus any data created, collected, received, stored, used, maintained or disseminated by GRANTEE in performing its duties under this contract is subject to the protections of the Data Practices Act. The civil remedies of [Minn. Stat. § 13.08](#) apply to the release of the data governed by the Data Practices Act, Minn. Stat. Ch. 13, by either GRANTEE or STATE.
- 5. In its capacity as GRANTEE under this contract, GRANTEE is being made an agent of the "welfare system" as defined in [Minnesota Statutes, section 13.46, subdivision 1](#), and any data collected, created, received, stored, used, maintained or disseminated by GRANTEE in performing its duties under this Contract is explicitly subject to the protections of Minn. Stat. § 13.46.
- 6. If GRANTEE receives a request to release data created, collected, received, stored, used, maintained or disseminated by GRANTEE in performing its duties under this CONTRACT, GRANTEE must immediately notify and consult with STATE's Authorized Representative as to how GRANTEE should respond to the request.

7. Under this CONTRACT, GRANTEE is performing the functions of a government entity including, but not limited to, responding appropriately pursuant to Minnesota Statutes, sections [13.03](#) and [13.04](#) to requests for data created, collected, received, stored, used, maintained, or disseminated by GRANTEE in performing its duties under this CONTRACT.
8. GRANTEE's obligations while performing the functions of a government entity include, but are not limited to, complying with Minnesota Statutes, section 13.05, subdivision 5 to establish appropriate security safeguards for all records containing data on individuals.
9. GRANTEE must comply with [Minnesota Statutes, section 13.055](#) to investigate and appropriately report or notify regarding any potential unauthorized acquisition of data created, collected, received, stored, used, maintained, or disseminated by GRANTEE in performing its duties under this CONTRACT.

10. [OPTION 2] INFORMATION PRIVACY AND SECURITY.

Information privacy and security shall be governed by the "Data Sharing Agreement Terms and Conditions," which is attached and incorporated into this Contract as **Attachment** [Click here to enter letter](#), except that the parties further agree to comply with any agreed-upon amendments to the Data Sharing Agreement.

10. [OPTION 3] INFORMATION PRIVACY AND SECURITY.

Information privacy and security shall be governed by the "Data Sharing and Business Associate Agreement Terms and Conditions," which is attached and incorporated into this CONTRACT as **Attachment** [Click here to enter letter](#), except that the parties further agree to comply with any agreed-upon amendments to the Data Sharing Agreement and Business Associate Agreement.

11. INTELLECTUAL PROPERTY RIGHTS.

11.1. Definitions. Works means all inventions, improvements, discoveries (whether or not patentable or copyrightable), databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, and disks conceived, reduced to practice, created or originated by GRANTEE, its employees, agents, and subcontractors, either individually or jointly with others in the performance of the CONTRACT. Works includes "Documents." Documents are the originals of any data bases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, disks, or other materials, whether in tangible or electronic forms, prepared by GRANTEE, its employees, agents, or subcontractors, in the performance of this CONTRACT.

11.2. Ownership. STATE owns all rights, title, and interest in all of the intellectual property, including copyrights, patents, trade secrets, trademarks, and service marks in the Works and Documents created and paid for under this CONTRACT. The Works and Documents will be the exclusive property of STATE, and all such Works and Documents must be immediately returned to STATE by GRANTEE upon completion or termination of this CONTRACT. To the extent possible, those Works eligible for copyright protection under the United States Copyright Act will be deemed to be "works made for hire." If using STATE data, GRANTEE must cite the data or make clear by referencing that STATE is the source.

11.3. Responsibilities.

- a. **Notification.** Whenever any Works or Documents (whether or not patentable) are made or conceived for the first time or actually or constructively reduced to practice by GRANTEE, including its employees and subcontractors, and are created and paid for under this CONTRACT, GRANTEE will immediately give STATE's Authorized Representative written notice thereof, and must promptly furnish the Authorized Representative with complete information and/or disclosure thereon. GRANTEE will assign all right, title, and interest it may have in the Works and the Documents to STATE.
- b. **Filing and recording of ownership interests.** GRANTEE must, at the request of STATE, execute all papers and perform all other acts necessary to transfer or record STATE's ownership interest in the Works and Documents created and paid for under this CONTRACT. GRANTEE must perform all acts and take all steps necessary to ensure that all intellectual property rights in these Works and Documents are the sole property of STATE, and that neither GRANTEE nor its employees, agents, or subcontractors retain any interest in and to these Works and Documents.
- c. **Duty not to infringe on intellectual property rights of others.** GRANTEE represents and warrants that the Works and Documents created and paid for under this CONTRACT do not and will not infringe upon any intellectual property rights of other persons or entities. Notwithstanding Clause 9, GRANTEE will indemnify; defend, to the extent permitted by the Attorney General; and hold harmless STATE, at GRANTEE's expense, from any action or claim brought against STATE to the extent that it is based on a claim that all or part of these Works or Documents infringe upon the intellectual property rights of others. GRANTEE will be responsible for payment of any and all such claims, demands, obligations, liabilities, costs, and damages, including but not limited to, attorney's fees. If such a claim or action arises, or in GRANTEE's or STATE's opinion is likely to arise, GRANTEE must, at STATE's discretion, either procure for STATE the right or license to use the intellectual property rights at issue or replace or modify the allegedly infringing Works or Documents as necessary and appropriate to obviate the infringement claim. This remedy of STATE will be in addition to and not exclusive of other remedies provided by law.
- d. **Federal license granted.** If federal funds are used in the payment of this CONTRACT, pursuant to 45 C.F.R. § 75.322, the U.S. Department of Health and Human Services is granted a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

12. PUBLICITY.

12.1. General publicity. Any publicity regarding the subject matter of this CONTRACT must identify STATE as the sponsoring agency and must not be released without prior written approval from the STATE's authorized representative. For purposes of this provision, publicity includes notices, informational pamphlets, press releases, research, reports, signs, websites, social media, and similar public notices prepared by or for the GRANTEE individually or jointly with others, or any subcontractors, with respect to the program, publications, or services provided resulting from this CONTRACT. All

projects primarily funded by state grant appropriation must publicly credit the State of Minnesota, including on the GRANTEE's website when practicable.

12.2. Endorsement. GRANTEE must not claim that STATE endorses its products or services.

13. VOTER REGISTRATION REQUIREMENT.

GRANTEE certifies that it will comply with Minn. Stat. § 201.162 by providing voter registration services for its employees and for the public served by GRANTEE. Voter Registration materials can be found at the Secretary of State's [website](#).¹⁵

14. OWNERSHIP OF EQUIPMENT.

The STATE shall have the right to require transfer of all equipment purchased with grant funds (including title) to STATE or to an eligible non-state party named by the STATE. If federal funds are granted by the STATE, then disposition of all equipment purchased under this grant contract shall be in accordance with OMB Uniform Grant Guidance, [2 C.F.R. § 200.313](#). For all equipment having a current per unit fair market value of \$10,000 or more, STATE shall have the right to require transfer of the equipment (including title) to the Federal Government. These rights will normally be exercised by STATE only if the project or program for which the equipment was acquired is transferred from one grantee to another.

15. AUDIT REQUIREMENTS AND GRANTEE DEBARMENT INFORMATION.

15.1. State audit.

Under [Minnesota Statutes, section 16B.98, subdivision 8](#), the books, records, documents, and accounting procedures and practices of the GRANTEE or other party that are relevant to the CONTRACT are subject to examination by STATE and either the legislative auditor or the state auditor, as appropriate, for a minimum of six years from the CONTRACT end date, receipt and approval of all final reports, or the required period of time to satisfy all state and program retention requirements, whichever is later.

15.2. Independent audit. If GRANTEE conducts or undergoes an independent audit during the term of this CONTRACT, notice of the audit must be submitted to STATE within thirty (30) days of the audit's completion and a copy provided, if requested.

15.3. Federal audit requirements and GRANTEE debarment information. GRANTEE certifies it will comply with [2 C.F.R. § 200.501, et seq.](#), as applicable. To the extent federal funds are used for this CONTRACT, GRANTEE acknowledges that GRANTEE and STATE shall comply with the requirements of 2 C.F.R. § 200.331. Non-Federal entities expending \$1,000,000 or more of federal funding in a fiscal year must obtain a single or program-specific audit conducted for that year in accordance with 2 C.F.R. § 200.501. Failure to comply with these requirements could result in forfeiture of federal funds.

15.4. Debarment by STATE, its departments, commissions, agencies or political subdivisions.

GRANTEE certifies that neither it nor its principles are presently debarred or suspended by the State of Minnesota, or any of its departments, commissions, agencies, or political subdivisions, as shown on the [Suspended/Debarred Vendor Report](#).¹⁶ GRANTEE's certification is a material representation upon which the CONTRACT award was based. GRANTEE shall provide immediate written notice to STATE's authorized representative if at any time it learns that this certification was erroneous when submitted or becomes erroneous by reason of changed circumstances.

15.5. Certification regarding debarment, suspension, ineligibility, and voluntary exclusion – lower tier covered transactions.

GRANTEE's certification is a material representation upon which CONTRACT award was based. Federal money will be used or may potentially be used to pay for all or part of the work under CONTRACT, therefore GRANTEE must certify the following, as required by 2 C.F.R § 180, or its regulatory equivalent.

a. Instructions for Certification

1. By signing and submitting this CONTRACT, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this CONTRACT is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverages sections of rules implementing Executive Order 12549. You may contact the person to which this CONTRACT is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this response that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 C.F.R. part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from

¹⁶ <https://mn.gov/admin/osp/government/suspended-debarred/>

participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this CONTRACT that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 C.F.R. part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant are not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 C.F.R. part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

b. Lower Tier Covered Transactions.

1. The prospective lower tier participant certifies, by submission of this CONTRACT, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this CONTRACT.

16. GRANTEE DATA DISCLOSURE.

Consistent with Minnesota Statutes, sections 270B.09, [270C.65](#), subdivision 3, and 270C.66, and other applicable law, GRANTEE understands that disclosure of its social security number, federal employer tax identification number, and/or Minnesota tax identification number, already provided to the STATE, may be provided to federal and state tax agencies and state personnel involved in the payment of state obligations. These identification numbers may be used in the enforcement of federal and state tax laws which could result in action requiring GRANTEE to file state tax returns and pay delinquent state tax liabilities, if any.

17. JURISDICTION AND VENUE.

This CONTRACT, and amendments and supplements, are governed by the laws of the State of Minnesota. Venue for all legal proceedings arising out of this CONTRACT, or breach of the CONTRACT, shall be in the state or federal court with competent jurisdiction in Ramsey County, Minnesota.

18. CLERICAL ERRORS AND NON-WAIVER.

18.1. Clerical error. Notwithstanding Clause 19.1, STATE reserves the right to unilaterally fix clerical errors contained in the CONTRACT without executing an amendment. GRANTEE will be informed of errors that have been fixed pursuant to this paragraph.

18.2. Non-waiver. If STATE fails to enforce any provision of this CONTRACT, that failure does not waive the provision or STATE's right to enforce it.

19. AMENDMENT, ASSIGNMENT, SEVERABILITY, ENTIRE AGREEMENT, AND DRAFTING PARTY.

19.1. Amendments. Any amendments to this CONTRACT shall be in writing and shall be executed by the same parties who executed the original CONTRACT, or their successors in office.

19.2. Assignment. GRANTEE shall neither assign nor transfer any rights or obligations under this CONTRACT without the prior written consent of STATE.

19.3. Entire Agreement.

- a. If any provision of this CONTRACT is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this CONTRACT shall not in any way be affected or impaired. The parties will attempt in good faith to agree upon a valid and enforceable provision that is a reasonable substitute and will incorporate the substitute provision in this CONTRACT according to clause 19.1.
- b. This CONTRACT contains all negotiations and agreements between STATE and GRANTEE. No other understanding regarding this CONTRACT, whether written or oral may be used to bind either party.

19.4. Drafting party. The parties agree that each party has individually had an opportunity to review with a legal representative, negotiate and draft this CONTRACT, and that, in the event of a dispute, the CONTRACT shall not be construed against either party.

20. PROCURING GOODS AND CONTRACTED SERVICES.

20.1. Contracting and bidding requirements.

- a. Any services and/or materials that are expected to cost \$100,000 or more must undergo a formal notice and bidding process.

- c. Services and/or materials that are expected to cost between \$10,000 and \$24,999 must be competitively awarded based on a minimum of two (2) verbal quotes or bids or awarded to a targeted vendor.

- e. GRANTEE must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts.
- f. GRANTEE must maintain support documentation of the purchasing or bidding process used to contract services in their financial records, including support documentation justifying a single/sole source bid, if applicable.
- g. Notwithstanding (a) - (d) above, the STATE may waive bidding process requirements when:
 - i. Vendors/grantees included in response to competitive grant request for proposal process were approved and incorporated as an approved work plan for the grant; or
 - ii. It is determined there is only one legitimate or practical source for such materials or services and that the vendor/grantee has established a fair and reasonable price.

20.2. Prevailing wage. For projects that include construction work of \$25,000 or more, prevailing wage rules apply per Minnesota Statutes, sections 177.41 through 177.44; consequently, the bid request must state the project is subject to *prevailing wage*. These rules require that the wages of laborers and workers should be comparable to wages paid for similar work in the community as a whole. Vendors should submit a prevailing wage form along with their bids.

20.3. Debarred vendors. In the provision of goods or services under this CONTRACT, GRANTEE must not contract with vendors who are suspended or debarred in Minnesota or under federal law. Before entering into a subcontract, GRANTEE must check if vendors are suspended or debarred by referencing the Minnesota Department of Administration's [Suspended/Debarred Vendor Report](#).¹⁷ A link to vendors debarred by Federal agencies is provided at the bottom of the web page.

GRANTEE, as an awardee organization, is legally and financially responsible for all aspects of this award that are subcontracted, including funds provided to sub-recipients and subcontractors, in accordance with 45 C.F.R. §§ 75.351-75.352. 22. LEGAL COMPLIANCE.

22.1. General compliance. All performance under this CONTRACT must be in compliance with state and federal law and regulations, and local ordinances. Allegations that STATE deems reasonable, in its sole discretion, of violations of state or federal law or regulations, or of local ordinances, may result in CONTRACT termination and/or reporting to local authorities by STATE.

22.2. Nondiscrimination. GRANTEE will not discriminate against any person on the basis of the person's race, color, creed, religion, national origin, sex, marital status, gender identity or expression, disability, public assistance status, sexual orientation, age, familial status, membership or activity in a local commission, or status as a member of the uniformed services. GRANTEE must refrain from such discrimination as a matter of its contract with STATE. "Person" includes, without limitation, a STATE employee, GRANTEE's employee, a program participant, and a member of the public. "Discriminate" means, without limitation, to fail or refuse to hire, discharge, or otherwise discriminate against any person with respect to the compensation, terms, conditions, or privileges of employment, or; exclude from participation in, deny the benefits of, or subject to discrimination under any GRANTEE program or activity.

GRANTEE will ensure that all of its employees and agents comply with Minnesota Management and Budget Policy #[1329](#) (Sexual Harassment Prohibited) and #[1436](#) (Harassment and Discrimination Prohibited).
