Help Me Connect waa meel muhiim ah oo laga helo caawimaadka dumarka umulista (doula) ee Minnesota

Sanad kaddib markii la bilaabay liiska doulas-ka, website-ka ee Minnesota wuxuu noqday mid ka mid ah meelaha ugu ballaaran ee laga helo doulas, isagoo leh siyaabo sahlan oo raadinta ah si fududna loo helo doula ku habboon.

Waaxda Caafimaadka Minnesota (MDH) waxay dhiirrigelinaysaa qoysaska inay doula helaan iyaga oo adeegsanaya website-ka [Help Me Connect](#) waxayna codsi u direysaa dhammaan doulas-ka iska diiwaangeliyaan si bilaash ah.

Websiteka Help Me Connect wuxuu leeyahay khariidad si loo raadiyo doulas iyo in ka badan 30 doorasho shaandhayn ah, oo ay ka mid yihiin adeegyada umulista guriga, dhaqamada ama caadooyinka diimeed, iyo ikhtiyaarada lacag bixinta.

Doula-yaashu waxay bixiyaan taageero jidheed, mid dareen iyo mid aan caafimaad rasmi ahayn ayna siiyaan waalidka inta ka hor, inta lagu jiro, iyo dhalmada ilmaha kaddib. In la helo doula la wadaaga asalka, waayo-aragnimada noloshu, ama dhaqamada dhaqameed waxay wax weyn ka tari kartaa khibrada dhalmada.

Cilmi-baarisutu wuxuu muujisay in taageerada doula ay keeni karto faa'iidooyin ay ka mid yihiin:

- Inay yaraato muddada foosha
- Inay yareyso fursadda dhalmada qalliinka (C-section)
- Inay bixiso farsamooyin aan caafimaad rasmi ahayn oo lagu yareeyo xanuunka
- Inay hoos u dhigto walaaca iyo walbahaarka
- Inay taageerto lammaanaha ama seyga
- In caruurta ay dhashaan iyadoo garaacista wadnahooda iyo neefsashadooda ay fiicantahay.

Taageerada doula-du waa mid si gaar ah muhiim ugu ah bulshooyinka la kulma kala duwanaansho iyo cadaalad-darro, sida dadka Madow, dadka asaliga ah ee Mareykanka (American Indian), dadka midabkooda uu ka duwan yahay caddaanka, dadka dakhliga yar, bulshada LGBTQ, ama kuwa ku nool meelaha miyiga ah. **Doula** waxay ka
