- VII. **Annual report for 2025**
  - What did we accomplish in 2025?
    - a. Membership increased and panel seat vacancies filled
    - b. Jamal conducted a full collaborative safety mapping process with Kimette
    - c. Scott and Mary Kane conducted the mapping process

- d. Attended Collaborative Safety training for new members
  - e. Training and presentations on MN AAFPCWDA
  - f. Planning and starting monthly case reviews for panel members next year and established path to request more cases are forwarded to the panel.
- Where are systems improvements needed?
  - a. Scheduling barriers even with flexibility of in-person and Zoom to conduct collaborative safety mapping
- What did you learn from involvement in collaborative safety case mapping?
  - a. Need to find out if we can share the mapping imagine findings in the annual report (Benjamin Taylor was ask if this is possible)
  - b. Share journey in 2025 to establish the moving pieces to a full, more in-depth process for involving panel members in collaborative safety model mapping
- Onboarding process improvements
  - a. The process is a lot of information but need to break it down into more digestible information (Gapske is seeking child protection training foundations at the MN Child Welfare Training Academy for panel members)
- Concrete supports from DCYF?
- Simplify appointment process?
- Increase funding due to stipend expenses?
  - a. Stipends and expenses for members total expenses was \$2107.98
  - b. If future projects have higher expenses, we may need to request more funding.
- Retreat improvements/needs?
  - a. More breakout time and it was good to be in person.
  - b. Important and informative
- Other things to include?
  - a. Cathy will provide update on gift cards purchase potentially with pictures or graphics to add to report, if possible.

#### **VIII. VI. Begin planning for projects in 2026**
