

## Request for Proposals for a Grantee to Provide Restorative Practices Initiatives through collaborative and inclusive approaches

### Clarification about the clause 5.3, "Evaluation Phases", subclause 2a.

- RFP originally published 11/10/25 with the total possible points for the component pieces of the application equaling 100 points which is not correct.
- On 12/5/25 the total possible points for the component pieces of the application are corrected/changed to equaling 90 points.
- This change is noted in **red** and **underlined** in the table below. Strikethrough text is not in effect.

### 5.3 Evaluation Phases

At any time during the evaluation phases, STATE may, at STATE's discretion, contact Responders to (1) provide clarification of their Proposal, (2) have each Responder provide an oral presentation of their Proposal, or (3) obtain the opportunity to interview the proposed key personnel. Reference checks may also be made at this time. However, there is no guarantee that STATE will look for information or clarification outside of the submitted written Proposal. Therefore, it is important that the Responder ensure that all sections of the Proposal have been completed to avoid the possibility of failing an evaluation phase or having their score reduced for lack of information.

#### 1. Phase I: Required Statements and Forms Review

The Required Statements will be evaluated on a pass or fail basis. Responders must "pass" each of the requirements identified in section 3.3 to move to Phase II.
